### **Sermag's representation office opening in Vietnam...**

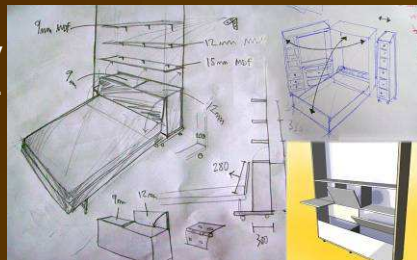

Although all the headlamps are focused on China, Sermag Ltd does not ignore an important rising market: Vietnam.

Pierre Stephan Muscat, from Cantal (France), is our correspondent in Ho Chi Minh where he settled 15 years ago. He manages textile and baked clay factories. His knowledge about vietnamese industrial network is a great asset for Sermag.

### **Our designer has settled in factory !**

In the frame of our ambitious project dressing/room/ kitchen the designer has worked with engineers and workers at the heart of the factory.

With sketches and technical drawings, attempts have been realised. Thanks to the creativity, enthusiasm and know-how of a dozen of people the project can grow up with big strides !

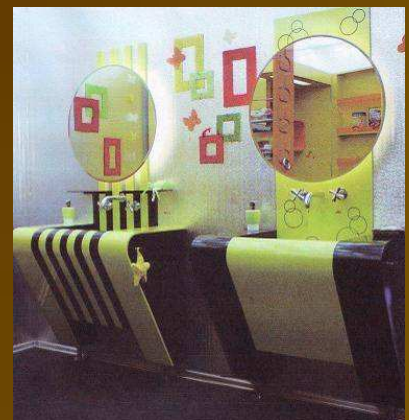

## **WELCOME !**

Kaï, from China , returned in Canton after 6 years in France: 3 years studying in IFAC and 3 years of professional experience in import-export. He joined the Sermag Ltd team as an Account Manager
